Senator Anning's crew headed by Leon Ashby is hosting this event - which may be the last really good chance to influence the Royal Commission to do its job properly. It aims to show you the types of cases that have been submitted to the Hayne Royal Commission but which so far have not been publicly investigated. **BRN wants our friends and supporters to participate.** We would love

you, your friends and your family to come and bear witness. If you want to help and get regular updates from Senator Anning's office - send an email to Leon Ashby >> Leon.N.Ashby@aph.gov.au

As well as attending the event, start making appointments to meet your Local member and your State Senators in Canberra on 13th, 14th or 15th Aug to inform them you want the Royal Commission to have more power and time. Their office numbers can be found here.

Also - strongly encourage your Local member / Senators to attend the event from 9.30 am to 11 am on Tuesday 14th Aug in Parliament house in the main committee room. What is required? More time - More power
Yes - that is all we need and demand!

Right from the start Turnbull did not want a fair dinkum inquiry. The aim was a short and weak inquiry. The banks are being protected by the government. Turnbull's weak terms of reference prove it!

BRN's draft terms are a stark contrast to what Commissioner Hayne has been given. **Hayne has the power to ask for what is required …. Will he?** The BRN Gold Standard Terms of reference are a good guide regarding what is needed. Read it right here.

BRN does not trust the government, its regulators or its inquiries to bring about genuine and far reaching reforms.

We are doing two things right now to help ....

1. The #BigBankBANG CBA Boycott ... No new loans with CBA for at least 12 months. We are targeting one bank at a time to show that the people really do have the power to bring about change. More here.

2. We are already preparing for #OzElection19 ... soon BRN is launching a suite of policies that will do the job required. We will endorse politicians in each electorate that commit to implementing the policies. The will of the people will be respected otherwise politicians will not get our vote. More here.

The BRN Event Media Release can be downloaded below (removed as had previous start time).

Please print and email it far and wide. Put them up on noticeboards: in supermarkets; libraries; schools; universities; workplaces; community centres; medical & dental practices ... and anywhere else you think would be helpful.

When a politician supports good policy they deserve a fair go and possibly your vote.
